**Subject:** RE: Global Freight Systems Co. W.L.L. vs. Al-Morrell Development LLC

Dear Mr. Altman,  
Al Morrell Development (AMD) sold all of her assets and her liabilities to Bright Pearl (BP) as of 1/1/12. AMD currently has no assets, income or operations so suing her is going to be a waste of your time and money. BP has enjoyed the benefit of the services provided by Global Freight and is ultimately the responsible party.  
I'm sorry for the confusion but BP has not been as forth coming as it should be in assuming her liabilities.  
Paul Morrell  
Chairman  
AMD
